This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of USA Video Relay, Inc. (USA) to change its name to Snap Telecommunications, Inc. (Snap).

On March 2, 2005, USA Video Relay, Inc. received a Certificate of Public Convenience and Necessity to provide resold local exchange services by Commission Order No. 2005-95 in Docket No. 2004-320-C. On April 5, 2005, USA changed its name to Snap Telecommunications, Inc. and registered the name change with the South Carolina Secretary of State. Accordingly, USA requests that the Commission approve the name change and amend the Company's Certificate to reflect the new name.

Pursuant to the instructions of the Commission's Docketing Department, USA furnished proof that it had published a Notice of Filing detailing the Company's request in newspapers of general circulation in USA's service area. No Protests or Petitions to Intervene were received. The Office of Regulatory Staff (ORS) subsequently filed a letter stating that it does not oppose the request.
